

School and Community Presentations — Teaching and Sharing with the Community

To have someone come and speak to your Civic, School, Church or Community group please call: 941-883-3502 (Pt. Charlotte/Punta Gorda) or 941-697-4000 Ext. 4360, (Englewood)

Deep Creek Elementary—2nd Grade

This walking, talking "Trash Can" will come to your classroom and give a 20-45 minute lesson on recycling. The Charlotte County Solid Waste Resource Program Coordinator will bring an interesting lesson geared for students and teachers. Students will learn what is recyclable in Charlotte County through an interactive lesson that will hold their attention and encourage life-long recycling habits.

Meadow Park Elementary Students learn about recycling

Students learn about equipment at the Landfill

Landfill Tours are available for local students

Information shared with local citizens

Our many programs and services are shared with our citizens through community events, presentations, and the supplying of educational materials.
