

Change is Marching Into your Library July 7, 2009

In order to provide you with the best possible service we can now accept up to **3** reservation requests for library materials.

3 – That's the limit when it comes to reserving library materials.

- New books and all movies and music CDs will be available at each library location on a first come first served basis
- New books are free for 2 weeks with a \$.25 fee per day after 14 days
- Movies are free for one week with a \$1.00 fee per day after 7 days
- Regular delivery of library materials among the branches is being discontinued. In order to reduce the volume of materials being delivered to a manageable weekly load, requests will no longer be accepted for new books or any movies, or music CDs.
